Who Needs Christmas

Are we too familiar with Christmas? The story of Christmas is so familiar that we rarely dig into the details. But what if we did? We might find that it stops sounding like a far-fetched fairy tale. In fact, the improbable details of this story might even start to sound like real life—maybe even your life. In *Who Needs Christmas*, Andy Stanley explains how the remarkable details of the Christmas story are what make it so believable. And he tells us why, after so many years, it took something unexpected to get people's attention.

HOMEWOOD AT PLUM CREEK AUXILIARY

Dear Starview Family,

It is fall and time for the annual Homewood at Plum Creek membership drive. You can become a member of the auxiliary for less than the cost of a coffee or drink you might have with your dinner at a restaurant: \$3/person or \$5/couple.

Homewood at Plum Creek is one of our church's wider missions. It is a retirement center with all the amenities found in similar retirement villages in our area, but also a benevolent care facility for those who have outlived their finances. Our contributions help to purchase items needed for ongoing care items for residents.

I will be collecting these dues from now until the end of December. Please help me make this a successful drive again this year!

Also, in the past, if anyone would like to send Christmas cards or purchase Bingo prizes for residents, I can see that they are delivered to Homewood.

Grace Gichner, Homewood at Plum Creek Auxiliary Rep.
