Christian: It's Not What You Think : Feb 13 & 20:

In this eight-session video-based bible study, join pastor **Andy Stanley** as he examines the characteristics Jesus used to define those who follow him and the implications they have for believers today.

In Christian, you'll learn:

- What one word should be descriptive of every Christian
- How Jesus' followers should treat those who are outside the faith
- Why people love Jesus but can't stand his followers

What does it mean to be Christian? Curiously, the term is never used in Scripture. Instead, Christian was a label used by outsiders to define Jesus' followers. Jesus referenced 'disciple' as the key word he used to describe his supporters along with the fact that they would be known for their love - a novel concept for their time - and ours today.

Through eight engaging and enlightening sessions, Andy Stanley unpacks these qualities Jesus prescribes for his followers that made them unique. What if believers today embodied these traits? Would the non-believing world put aside its definition of 'Christian' and instead know us by our love?

Sessions include:

1. Brand Recognition
2. Quitters
3. Insiders, Outsiders
4. Showing Up
5. When Gracie Met Truthy
6. Angry Birds
7. Loopholes
8. Working It Out
