**Andy Stanley - YOUR MOVE**

**4 questions to ask when you don't know what to do  
How to make sound decisions you can live with**

We are constantly confronted with decisions we never anticipated having to make. To complicate matters further, the timeframe for making a decision is often short and our options limited. So what do you do when it's your move and you aren't sure what to do? Stanley offers four powerful questions that will help you determine your best move. Follow Andy as he teaches how every decision and its outcome become a permanent part of your story, what to do when you feel the need to pause before taking action, and how to make more of this life by making sound decisions.
