Andy Stanley - What Makes You Happy: It's Not What You'd Expect

Everybody wants to be happy. Everybody is on a happiness quest. For many, happiness is measured in moments. Experiences. It's elusive. Unsustainable. What about you? What makes you happy? Not Sure? In this six-session DVD Bible study, pastor Andy Stanley examines the ways in which we tend to define *happiness* and explains how that definition influences the way we pursue it. He reveals that happiness is about *who*, not *what*, and that happy people are at peace with God, with others, and with themselves. He also shows how sin undermines peace because it separates us from God, others, and ourselves by substituting pleasure for fulfillment, things for people, images for intimacy, and self-expression for self-control.

River City Singers
Saturday, May 3rd at 7:00pm

Join the **River City Singers** for their 2025 Spring Concert, "When all else fails, PERHAPS LOVE". Admission is free with a reception to follow. A free-will offering will be taken. Harrisburg's River City Singers is a community chorus, coming together to sing songs of hope and love.

"Our mission is to serve our community by sharing choral music through high quality performances; to welcome volunteer singers and instrumentalists from all ages, faiths, ethnicities, and gender identities; to dedicate ourselves to the pursuit of musical excellence. We strive to be: - open and accepting to any who wish to share our journey; - a group that members want to be part of, not only for making music, but because of the need to be a voice for the voiceless, the need to create community, and the need to have fun together"
