

HEALING SERVICE – BLESSING OF HANDS

On *Sunday, February 2nd*, we will host a Healing Service with a Blessing of Hands. All of us are in need of healing whether it be for our bodies, minds, and/or spirits. During the service, an invitation will be given to come and receive the love of Jesus with the laying on of hands, a cleansing and healing prayer to God, and an anointing with oil in the power of the Holy Spirit. Perhaps you will ask Jesus for relief from pain, the healing of a physical illness or an emotional or psychological affliction, freedom from hurtful memories, mending of broken relationships, or a loosening from fear. Or maybe you'll seek healing on behalf of another: family member, friend or another for whom you are concerned. Perhaps your prayers will be more global in nature as you seek healing for people personally unknown to you, but whose circumstances of suffering are known. In this service of healing, we are also invited to come, to praise God for past healings received or heard about and to offer prayers for the others who are seeking healing.

In the service, there will also be a brief moment for us to consider our hands, how they are healing instruments for God, and our use or abuse of them. After worship, our liturgical banner of "hands" will be placed on the back table and those who've not yet had the opportunity to have their "hand signature" imprinted (with paint) on the banner are invited to do so. The banner will then be displayed in upcoming weeks as a reminder of God's healing work that is present in our community, in us who are physically alive and present, and in the saints who surround us and cheer us on.

Recovery Road by Andy Stanley (January-February 2025)

Unemployment is up. Stocks are down. And everybody's pointing fingers. If you are like most Americans, you're wondering what's going on in Washington. And you're probably wondering what you're supposed to do while you wait for somebody to fix things. Well, here's an idea. What if we don't wait around for somebody else? What if we go ahead and start fixing it ourselves? What if We the People tried to get this country on the road to recovery? Sound like a good idea? Then you're ready for Recovery Road.

INCLEMENT WEATHER

As we anticipate the upcoming season of possible inclement weather, there are a few reminders regarding Sunday morning worship during these times.

There are multiple ways that you can locate the information about Sunday morning worship services - specifically, if BOTH in person and virtual will be offered or if the service will be held virtually, ONLY.

A decision will be made by 8 PM on SATURDAY evening, by a team consisting of the Council President, Worship Chair, Music Director, and Pastor Laura. Their decision will be based on the weather information available to them at that time, realizing that the weather may change and be inaccurate by the next morning. Even so, the decision made on Saturday evening, will **NOT** change on Sunday morning. The decision made on Saturday will stand.

The decision of how we will worship on Sunday, can be located on SATURDAY, by 8 PM, via a church-wide email, the Starview Facebook page, and by calling and listening to the church answering machine. (717) 266-4248. Please, do not call or text the individual members of the team Sunday morning for the worship information - use the multiple avenues listed above.
