

WORSHIP ANNOUNCEMENT

Virtual worship via Facebook Live remains an option. By the way, did you know that you do NOT need a Facebook account to participate in the live service? A family member who *does* have a FB account can simply email or text you the service link and you are able to participate in worship too – as it is happening – live with everyone else! As has been done in the past, the service will be posted to the church website.

Worship services will resume in the sanctuary at 50% capacity with the following directives in place:

- **Pre-registration.** Call 717-266-4248 by NOON, on the Wednesday prior to the service. Please leave your name, the number of people in your family unit attending, and a phone number where you can be reached. This information is necessary *only* for the purpose of contacting you and the health department, should a fellow worshipper inform the leadership that they have tested positive for COVID after Sunday worship.
- **Masks or FULL face-shields** MUST be worn *CORRECTLY* at all times. HALF shields are NOT permissible. BOTH the nose and mouth must be completely covered at all times while inside the church facility. This applies to kindergarten aged children and up.
- **Singing** IS allowed and encouraged, while correctly *wearing your face covering*.
- **Social distance.** Please be mindful of the recommended distance of 3-6 feet between you and other family units. If you are uncomfortable with how near someone is standing or sitting next to you, it is up to you to take the initiative, in love, to speak with them.
- **Remain home if you are feeling ill** (fever, diarrhea/vomiting, cough, loss of smell or taste) or have been knowingly exposed to someone with COVID. This is the perfect opportunity to take advantage of virtual worship. Or feel free to request an emailed copy of the service and sermon.
- **Use the hand sanitizing station upon entrance.**

Offering plates will be located at each entrance/exit for your safety. E-tithing forms are also available for your convenience.

Both entrances/exits to the sanctuary will be open for your use. Again, be mindful to practice social distancing. Restrooms, of course, are open for use.

Upon entrance to the sanctuary, a greeter will be present to welcome you, give you the weekly announcements, provide you with a mask if you forgot yours, and ask you to use the hand sanitizing station. You and your family may sit wherever you choose, being mindful to social distance from others. After worship, a greeter will release you from your pew. You are asked to exit by way of the side aisle and then, use whichever exit you are most comfortable.

Small groups, such as Sunday School, Bible Study groups, Committees and so forth are able to meet in the church facility with the expectation that they will follow the mask, social distancing, and hand sanitizing hygiene mandates.

May the Lord's blessing be upon us as we move into this next phase of returning to worship in the sanctuary!
Pastor Laura
